50 Brizewood, Carterton. Oxfordshire. OX18 1DF VAT No: 972 4275 02  
<http://www.desbrambley.co.uk> 01993 840320 [djb@desbrambley.co.uk](mailto:djb@desbrambley.co.uk) 07915 351621

All Prices are inclusive of VAT

## Studio Fees

Studio time is chargeable at £30 per hour. This applies to portrait and commercial photography.

Location portraiture is £30 per hour up to 15 miles from our base. There is a subsequent charge of £0.50 per mile beyond that. Overnight stays are included in any quotes for extended or foreign location shoots with any additional costs also being part of the quote.

### Licensing:

For all commercial and PR clients licences are charged by agreement dependent on length of usage and territories covered. Copyright remains with the photographer with usage rights being granted as per any contract between the client and the photographer.

### Delivery:

Commercial images can be delivered in whichever format is required (excluding the original RAW file which is not for sale)

## Digital Prints

Laser printed on light-sensitive paper to produce the look and feel of a traditional photograph, with better resistance to fading inkjet printed photographs. Available in glossy or matt. Other sizes are available by request.

6x4	(set of four copies)	£16.00
5x7		£13.50
8x6		£15.50
8x10		£20.50
10x12		£24.00
20x16		£33.00
20x30		£49.00

Other sizes are available on request. Talk us, we can deliver.

## Direct to Media Printing

- Embedded image 10mm acrylic sandwich  
(only suitable for fixing against a white or off-white wall)
- Surface printed 3mm satin aluminium  
(includes Nielsen 04 brushed satin silver frame which creates a pleasing contrast against the aluminium)
- Surface printed 8mm polar frost  
(a whiter, more opaque finish than the frosted acrylic)
- Surface printed 10mm gloss white – for keyhole option deduct £15
- Surface printed 8mm double frosted transparent  
(a 'soft' satin-like finish that requires a reasonably neutral or white wall to fix to)
- Embedded image 10mm clear/white combi  
(reverse printed on 3mm frosted acrylic & backed with 5mm white acrylic for a deep glossy finish)
- Reverse printed 8mm single frosted transparent – not illustrated  
(with a glossy front, this finish requires a reasonably neutral or white wall to fix to)
- Reverse printed 10mm transparent – not illustrated

## Direct to Media Printing

All the following products are available in either standard or bespoke sizes.  
Images may be printed to bleed or with borders. Prices include printing and four satin aluminium fixing studs.
